Subject: RE: CFAC Draft BERA Work Plan Comments

Thanks Brian, I will forward these to CFAC. Never a final it seems like, but sooner the better as we are trying to use these to incorporate this into the work plans for phase two. We are on a fairly tight schedule.

Thanks, I'll let you know when we get to the BERA discussion.

Subject: CFAC Draft BERA Work Plan Comments

Hi Mike,

Attached are a few comments on the Draft BERA Work Plan.

Let me know if you have any questions or would like me to participate in any discussions with CFAC, their contractors, or CDM Smith regarding this document.

Is there a firm deadline for submitting comments on this Draft Work Plan? The US FWS may have additional comments to offer.

Brian
